

## Fitzy Needs A Haircut

Darkbuster

What's with that scally cap  
His head has gotta smell like crap  
Never seen a bar of soap  
Fitzy is a f\*\*king dope

Fitzy needs a haircut  
Fitzy needs a haircut now

Lenny grab those f\*\*king shears  
Just watch out for those big dumb ears  
Cut his hair for once and all  
Shave his head and then his balls

Fitzy needs a haircut  
Fitzy needs a haircut now
