

Happy Days

Darkbuster

First there was Arnold then Al
He made me French Fries cause he was my pal
Don't forget Marrion and Mr. C
Here comes Ralph Malph and Potsie

And these are such Happy Days
I said nah nah nah Happy Days

Pinky Tuscadero was hot
Her sister Leather was not
Pinky tried to jump some cars with her bike
Arthur Fonzarelli was the guy she liked

And these are such Happy Days
I said nah nah nah Happy Days
