

They came to Great Woods on July 23  
A whole lineup of women isn't that absurd  
The Cardigans would take the stage  
Does anybody care  
No!

I wouldn't want to go to see the Lilith Fair

They've got Susan Vega and Sheryl Crow  
But that's still not enough to make me want to go  
Even if those women were all in their underwear

I wouldn't want to to to see the Lilith Fair  
I wouldn't want to to to see the Lilith Fair

There's something funny about moody  
Acoustic guitar lesbians  
I'd hate to go to shows where people have to sit  
They aren't my friends  
You're not my friends  
You're not my.....

Paula Cole's got hairy armpits as you might know  
And then I really hate that Ani DiFranco  
Tracy Chapman's big enough and she's got nappy hair

I wouldn't want to go to see the Lilith Fair  
I wouldn't want to go to see the Lilith Fair  
I wouldn't want to go to see the Lilith Fair  
The Lilith Fair, I wouldn't want to see the Lilith Fair  
The Lilith Fair, I wouldn't want to see the Lilith Fair
