

Rock Star

Darkbuster

I wanna be a rock star
Since I was seventeen
All the guys they hate me
Probably think I'm queen

Let's rock
Let's roll
Let's rock
Let's roll

I wanna wear high heels
And act like Judas Priest
Sing some Iron Maiden
The number of the beast

Let's rock
Let's roll
Let's rock
Let's roll

I went to see the devil
And man that guy's a prick
I'd be a better rock star
Than him or Peter Criss
I wanna be a rock star
Since I was seventeen
All the guys they hate me
Probably think I'm queen

Let's rock
Let's roll
Let's rock
Let's roll

I wanna wear high heels
And act like Judas Priest
Sing some Iron Maiden
The number of the beast

Let's rock
Let's roll
Let's rock
Let's roll

I went to see the devil
And man that guy's a prick
I'd be a better rock star
Than him or Peter Criss
