

Skinhead

Darkbuster

Skinhead, Skinhead drink tonight
The beers are going down like water
You worked all week nine to five
Another day is over

Skinhead at the futbol game
He cheers The Revolution with his mates
Skinhead, Skinhead close the bar
Another night is over

I'm singin' Oi Skinhead
Singin' Oi Oi Skinhead
I'm singin' Oi Skinhead
Singin' Oi Oi Skinhead

Skinhead's gonna push his luck
Skinhead doesn't give a f**k
Skinhead you're a lot like me
Says the war is over

Singin' Oi Skinhead
Singin' Oi Oi Skinhead
Singin' Oi Skinhead
Singin' Oi Oi Skinhead
