

Stand And Deliver

Darkbuster

They're the U.S. Army, Navy, Air Force and Marines
They sacrifice their lives for our country

Stand and deliver!

STAND AND FIGHT!

Or the Devil takes our ever-lovin' soul tonight

Early in the morning
In the darkest night
They protect our freedom
They protect our rights

Stand and deliver!

STAND AND FIGHT!!

Or the Devil takes our ever-lovin' soul tonight

They're the U.S. Army, Navy, Air Force and Marines
They sacrifice their lives for our country

Stand and deliver!

STAND AND FIGHT!

Or the Devil takes our ever-lovin' soul tonight

Early in the morning
In the darkest night
They protect our freedom
They protect our rights

Stand and deliver!

STAND AND FIGHT!!

Or the Devil takes our ever-lovin' soul tonight
