It's been a long night, waiting to sleep the day away and it's been a long time coming along with me every step of the way

the confinement binds you and nothing scares me, nothing thrills me I've fooled myself into believing that nothing ails me, nothing kills me the confinement binds you and nothing scares me, nothing thrills me I've fooled myself into believing that nothing ails me, nothing can kill me

the stagnant time
is a breeding ground for regrets and wrongdoings
and resolutions take their time that's if they even come at all

always seeking redemption through the echoes I've listened and still came up missing always seeking redemption through the echoes I've listened and still seeped through the cracks

the stagnant time
is a breeding ground for regrets and wrongdoings
and resolutions take their time that's if they even come at all

the confinement binds you and nothing scares me, nothing thrills me I've fooled myself into believing that nothing ails me, nothing kills me the confinement binds you and nothing scares me, nothing thrills me I've fooled myself into believing that nothing ails, me nothing can kill me

These wounds will heal nothing can stop me now These wounds will heal nothing can stop me now These wounds will heal These wounds will heal These wounds will heal
