

Love Is Not the Answer

The Darkness

Love
Love is not the answer
Love
Love is not your friend
Love
Love is not the beginning

And love
Love is not the end
And love isn't just
Liking someone a lot
I don't know what love is
But I know what love is not

For the feint hearted
You turn your back and it is gone
For the feint hearted
It can melt a heart of stone
And nobody can make it on their own

Love will make you stupid
Love
Love will make you wait
Love
Love is not destiny, it is fate

And love
Ain't that different from hate
In that it hurts like hell
And makes you lose the plot
I don't know what love is
But I know what love is not

For the feint hearted
You turn your back and it is gone
For the feint hearted
It can melt a heart of stone
And nobody can make it on their own

Always on my mind
Always worth a shot
I don't know what love is
But I know what love is not

For the feint hearted
You turn your back and it is gone
For the feint hearted
It can melt a heart of stone
You can't make it on your own
On your own
You can't make it on your own
