

# Black Throne

Darkseed

I whisper and moan  
My life seems sealed  
Time to face my misery  
And my mind flees into  
Wounds that never healed

I coast aside my pretty fears  
And I forsake the known  
I am on a trip  
In search of my black throne

Can I endure the rain?  
Can I stand the pain?  
Day after day my fate tore me up inside  
The rope is cut  
Eyes forever shut  
I am falling!  
Falling!

What I used to feel?  
What I used to need?  
I don't know who this is from who  
I need to be feed

Ghosts keep haunting me  
In my shattered soul  
And they make it their abode  
Take my self control

Afraid to realize  
It's not an unknown farce  
I need to be the one to exorcise me

And as a blind man I would dance  
Days and years passed by  
But there's a whisper  
From the soul that hides

Can I endure the rain?  
Can I stand the pain?  
Day after day my fate tore me up inside  
The rope is cut  
Eyes forever shut  
I am falling!  
Falling!

What I used to feel?  
What I used to need?  
I don't know who this is from who  
I need to be feed

Ghosts keep haunting me  
In my shattered soul  
And they make it their abode  
Take my self control

Spark my screams □ there's no deliverance

Darkness falls □ there's no deliverance  
Haunt my dreams □ there's no deliverance  
Hell doth rise □ there's no deliverance

Can I endure the rain?  
Can I stand the pain?  
Day after day my fate tore me up inside  
The rope is cut  
Eyes forever shut  
I am falling!  
Falling!

What I used to feel?  
What I used to need?  
I don't know who this is from who  
I need to be feed

Ghosts keep haunting me  
In my shattered soul  
And they make it heir abode  
Take my self control

Take my self control  
And as a blind man I would dance  
Take my self control  
My fate tore me up inside
