

## I Deny You

Darkseed

Would You like to go for a walk?  
Essential for You...  
May I introduce You to my words:  
Small amusements give You joy  
You don't think about it's sense stupid guy...  
I deny You, I despise You  
You're the one 'bout whom I laugh  
Go to hell now, get a move on!  
Follow my advice!  
I deny You, I despise You  
You're the one whom I regret  
Go to hell now, get a move on!  
I'll show You, go to hell!  
Truth it has no value for You  
You keep up appearances  
Shut Your gob, now I am talking!  
A fat lot You know about the truth  
Now our ways will seperate forever  
Forget my words and live the world  
You live Now it's time to say good-bye to You  
Walk Your path again and keep a fool!
