

## Forebyggende krig

Darkthrone

[Music Fenriz. Lyrics Fenriz]

The black weapon  
War to prevent war  
The dance of Narcissus  
With cancelled armies

Victims, do your job  
Die now - for your own good  
Glorious fear worship  
Don't mess with nothingness

Forebyggende Krig  
Forebyggende Krig  
Forebyggende Krig
