

Lifeless

Darkthrone

Deprived of Will
Three Feel in the Grave
Decaying Soul
Myself I shall Kill

Life Less
Deprived
Lifeless
In Hatred

Portal of Fear
(with) Ornaments of Sin
Barren Life
Drained of Blood, I'm Near

Life Less
Deprived
Life Less
In Hatred

Awaiting Grimly in the shadows...
Utter totalitarin fortressess of Voidmight
In the Water of Life the Circuits are breaking
Eons of Numb Hoplessness Lies Ahead

Life Less
Deprived
Life Less
In Hatred
