

Those Treasures Will Never Befall You

Darkthrone

Shaken and stirred in the dungeons!
Why is it you find yourself there?
Left in the mud - without a torch
(a fruitless endeavour) and no one cares!
...no they don't - ah!

Seen stumbling around in darkness - questioning honours and dreams
Those treasures will never befall you - they're out of reach

Crawling out at the foot of the mountain
Even weaker than when you entered!
When you have no soul and guidance is none, there's no use in being self-centered!!!
...no it ain't!

Seen stumbling around in the darkness - questioning honours and dreams
(then) those treasures will never befall you - they're out of reach...
...for you!
