Darkthrone

Despair, torn by hate,  
DISTORTED ATMOSPHERE  
Alas, observing the inconvenient horizon  
Prepare to launch all terrestrial  
imprudence, until nothing remains;  
COMPLETE THE IMMOLATION

THULCANDRA PROVIDES!  
THULCANDRA PROFANES!

Abstract emotion, major impropriety  
philanthropic tendencies concretely oppressed!

IMPORTUNATED PROPHECIES  
EXTERMINATING AMNESTIES  
DECAYING IMMORTALLY  
FREEDOM IN OUR DEATH!

SOLUTION!!!

For England and the monarchy  
we free our souls; our destiny  
Though it is implied tratory  
TO THE ENTIRE EARTH HUMANITY
