

## Fields Of Sorrow

Darkwater

I fear, that I'm losing it all  
I hear, there's nothing I can do  
On this, path where I've been so long  
I seek, for now my soul is torn  
An ever waking mind claims their might  
And every day for them is a wait for night  
(I've seen then) they dwell within the shadows  
Outcast be their kind  
I've seen them running i fields of sorrow  
The forsaken ones  
I feel, that I'm losing it all  
I bleed, for things I can't control  
I've tried, to leave all my fears behind  
I am joining the forsaken ones  
An ever waking mind claims their might  
And every day for them is a wait for night  
(I've seen then) they dwell within the shadows  
Outcast be their kind  
I've seen them running i fields of sorrow  
The forsaken ones  
In despair they flight for their lives  
All because or your sacred delusion  
Blinded, I started at the sun for too long  
I cry, how I ever could come clean  
I breath, the that's spread everywhere  
I know, I don't want to play this scene  
An ever waking mind claims their might  
And every day for them is a wait for night  
(I've seen then) they dwell within the shadows  
Outcast be their kind  
I've seen them running i fields of sorrow  
The forsaken ones
