

All The Power You Need

Darlene Zschech

My God can never fail
He's been proved time and again
Trust Him, you'll see
He's got all the power you need

He's never early, never late
It takes courage and it takes faith
Trust Him, you'll see
He's got all the power you need

He saves, forgives and heals
Takes back what the devil steals
My debt's been paid in full
And every day, He does miracles

I got dreams, turn them into plans
Too big for human hands
Trust Him, you'll see
He's got all the power you need

He's real, He's real
Faith's a lot stronger
Than what you feel
He's real, He's real
I'm believing for miracles

Trust Him, you'll see
He's got all the power you need
All the power you need
