

Change Your World

Darlene Zschech

Though I'm many miles away
How could I forget the day
I held you close
And my heart was changed forever

Though I'm many miles away
I'll forever hear you say
I am your child
Please will you love me
Won't you stay my little one

I live to change your world
I live to change your world
Oh how you've changed my world
Know the kindness of God
Will make a way

There's not a day that passes by
When I don't hear your hungry cry
I won't forget you
Oh how I love you
Just be strong my little one

He rejoices over you with singing
He will quite you with his love
I know you'll be dancing
When your heart is heavy
Heaven will make a way
Just hold on

I live to change your world
I live to change your world
Oh how you've changed my world
Oh how you've changed my world

And when the night is long
And hunger is your song
Breathe again and know
To hope is never wrong
Change your world

Oceans of mercy calling
Heaven will rain again
