

## Father Of Creation

Darlene Zschech

We come into Your presence  
To sing a song to You  
A song of praise and honour  
For all the things you helped us through

You gave a life worth living  
A life in love in with You  
And now I just love giving  
All my praises back to You

You're the Father of Creation  
The risen Lamb of God  
You're the One who walked away  
From the empty tomb that day  
And You set your people free  
With love and liberty  
And I can walk with you  
Every night and every day
