

Glorious

Darlene Zschech

Your love endures forever
Reaches beyond the heavens
I will praise, I will praise

Your love is better than life
Your name alone satisfies
I will sing, I will sing

You are my God, You are my song
You are my love
I am found in You

Your holiness, Your majesty
Your presence fills my life
And the earth will shake
The skies light up
They join with us
Live to make Your praises glorious

No longer I who lives
It's Christ who lives in me
I am Yours, I am Yours

I'm planted deep within You
My heart and soul will sing
Forever more, forever more

I want to taste of your mercy
I want to drink in your life
I want to rest in your fullness
I want to run in your light

Oh breathe in me
Oh breathe in me, Breath of Life

Touch me with your burning coal
Place it to my lips and let it blaze into my soul
Woe is me, for I am undone
My eyes have seen the majesty of the Holy One

I want to taste of your mercy
I want to drink in your life
I want to rest in your fullness
I want to run in your light

Oh breathe in me
Oh breathe in me, Breath of Life
