

I Will Bless You Lord

Darlene Zschech

I trust in You, my faithful Lord
How perfect is Your love
You answer me before I call
My hope, my strength, my song

And I shout for joy, I thank You, Lord
Your plan stands firm forever
And Your praise will be continually
Pouring from my heart

I will bless You Lord, I will bless You Lord
How my soul cries out for You my God
I will bless You Lord
