

One Hope

Darlene Zscheck

One hope, one voice, one light we see
One body, one heart, one destiny
Joined in Your body, joined in Your blood
Eternally united by Your love

We are joined in Your body
Joined in Your blood
Eternally united by Your love

One purpose, one dream, one life to live
One promise, one faith, one life to give
Joined in Your body, joined in Your blood
Eternally united by Your love

We are joined in Your body
Joined in Your blood
Eternally united by Your love

We are joined in Your body
Joined in Your blood
Eternally united by Your love
