

We Are Your People

Darlene Zschech

Freedom has come
Your Love found a way to my heart
Devotion reigns
Alive with your song
I'm living this anthem of grace
Forever reign

Faith resounds
Hope brings out
Your love will lead us home

We are your People
We live to worship
We live to Carry Your name
Making a way by Your Love
To move every mountain
We're living with healing and grace
We carry your name
Jesus

God of the nations
Streets come to life with your Love
Let Heaven reign
God of salvation
Your Kingdom is coming again
We watch and pray
