

Another Love Affair

Darren Criss

Mmm, now I don't want to make this hard
But I don't want to make you stay
Don't wanna be the one who's got to watch you walk away
And maybe we can make it better
Start out once again
Do you even care whether if it works or if it ends?
So I'll wait for an answer

I'll need another love affair to hold me down
I need somebody there to be around
I'll need another love affair to hold me down
I need somebody there to be around

It's not like I don't know
What you really need
I just wish that in this situation it was me
So shut up, shut up
I know what you're saying
And it's breakin' in my heart
I'm tryin' to pick up the pieces
And put 'em back before it falls apart
So I'll wait for an answer

I'll need another love affair to hold me down
I need somebody there to be around
I'll need another love affair to hold me down
I need somebody there to be around

And I don't love you more than anyone my dear
But I need you more than anyone 'round here
And I'd love to say that, say that you love me
But that ain't enough
We tried so hard

And I don't love you more than anyone my dear
But I need you more than anyone 'round here
And I'd love to say that, say that you love me
But that ain't enough
We already tried so hard

So I just got to find
Myself another love affair to hold me down
I need somebody there to be around
I'll need another love affair to hold me down
I need somebody there to be around

I'll need another love affair to hold me down
I need somebody there to be around
I'll need an-n-n-n-nother love affair to hold me down
I need somebody there to be around
