

## Even Though

Darren Criss

Even though I was blind before  
I've realized there is so much more  
And it was always deep down in the core of me  
I know it now

Even though it seems too much to take  
There's a feeling I can't seem to shake  
I feel like I am reading the signs  
'Cause I know that I'm comin' around

I thought I wanted someone perfect as could be  
When what I needed was the one who was perfect for me

Even though it used to seem so wrong,  
I've taken you for granted far too long  
I'm falling right into the denouement  
And now I'm breaking ground  
Even though I felt it from the start,  
It's only now we're beating with one heart  
I'm sure that now is the time  
'Cause I know that

The sun is starting to shine  
'Cause I know that I'm  
I'm comin' around
