You know it's alright  
I promise you tonight  
All you gotta do is  
Choose life

Got a little crush  
Ooh I just can't get enough of that stuff  
It's such a rush oh whoah whoah whoah whoah (1980 me)

Got a little crush  
Ooh I just can't get enough of that stuff  
It's such a rush oh whoah whoah whoah whoah (1980 me)  
Dance baby  
You know you're gonna have such a good time  
Welcome to 1980 me  
Dance baby  
You know it's gonna be alright  
Welcome to 1980 me

I wish that I could be eleven again  
That ET was my friend  
You know that life was so simple then  
Times have changed  
Never be the same  
The memory remains  
And the melody inside my heart

You know it's alright  
No matter how it goes  
All you gotta do is just say no

Got a little crush  
Ooh I just can't get enough of that stuff  
It's such a rush oh whoah whoah whoah whoah (1980 me)  
Got a little crush  
Ooh I just can't get enough of that stuff  
It's such a rush oh whoah whoah whoah whoah (1980 me)  
Dance baby  
You know you're gonna have such a good time  
Welcome to 1980 me
