

Slide Away

Darren Styles

Tell me a story
Of how it's meant to be
Give me a reason
Cause I don't wanna leave

And I wonder
As I look into your eyes
And I wonder
If I need a reason why

Slide away...

You make me slide away
No one makes me feel quite like you (quite like you)
You got me sliding today
Only when you do the things you do

Slide away...

Tell me a story
Of how it's meant to be
Give me a reason
Cause I don't wanna leave

And I wonder
As I look into your eyes
And I wonder
If I need a reason why

Slide away...

You make me slide away
No one makes me feel quite like you (quite like you)
You got me sliding today
Only when you do the things you do
