## Where Do We Go

```
Where do we goo00000
Oooh, hooh
Hooh, hooh
Hooh, hooh
Oooh, hooh
Where do we go from here
Lead me astray, show me the way
I need to find a new direction
How will I make it clear
There must be a way, I'll find it today
I wanna chase that feeling
Where do we go
I can't breathe
Where do we go
I'm on my knees
Where do we go
I can't see
Where do we go
I'm begging you please
(2x)
Where do we gooooooo
Where do we go
I can't breathe
Where do we go
I'm on my knees
Where do we go
I can't see
Where do we go
I'm begging you please
(2x)
Where do we gooooooo
Where do we go from here
Lead me astray, show me the way
I need to find a new direction
How will I make it clear
There must be a way, I'll find it today
I wanna chase that feeling
Where do we go
I can't breathe
Where do we go
I'm on my knees
Where do we go
I can't see
Where do we go
I'm begging you please
(4x)
