

Nothin' But A Love Thang

Darryl Worley

Lay down with me
Let me ease your mind
Don't start thinkin'
Baby we ain't got time
No we ain't got time

Hold me baby
Right up 'til dawn
Hello sunshine
Listen to the birds sing
Feels so right, there
Ain't nothin' wrong, it's
So damn easy
Call it what you want to
Nothin' but a love thang

Rock me baby
Take me round the world
I'm your man and I'm
Here to please you girl
I'm here to please you little girl

Hold me baby
Right up 'til dawn
Hello sunshine
Listen to the birds sing
Feels so right, there
Ain't nothin' wrong, it's
So damn easy
Call it what you want to
Nothin' but a love thang

This kind of thing comes from heaven above
And I just can't get enough
No I can't get enough

Hold me baby
Right up 'til dawn
Hello sunshine
Do de do de oh do
Listen to the birds sing
Feels so right, there
Ain't nothin' wrong, it's
So damn easy
Call it what you want to
Nothin' but a love thang

Hold me baby
Right up 'til dawn
Hello sunshine
Listen to the birds sing
Feels so right, there
Ain't nothin' wrong, it's
So damn easy
Call it what you want to
Nothin' but a love thang
