

# Let the Music Take Control

Darude

Let the music take control  
Let your body move and let it all flow  
Let the music take control  
Let your body move and let it all flow

Body move and let it all flow  
Body move and let it all flow  
Body move and let it all flow  
Body move and let it all flow  
Body move and let it all flow  
Body move and let it all flow  
Body move and let it all flow  
Body move and let it all flow  
Body move and let it all flow

Body move and let it all flow

Let the music take control  
Let your body move and let it all flow  
Let the music take control  
Let your body move and let it all flow

Let the music take control  
Let your body move and let it all flow  
Let the music take control  
Let your body move and let it all flow

Let the music take control

Let the music take control  
Let your body move and let it all flow

Let the music take control  
Let your body move and let it all flow  
Let the music take control  
Let your body move and let it all flow

Let the music take control  
Let your body move and let it all flow  
Let the music take control  
Let your body move and let it all flow
