

## Bed Space

Darwin Deez

I'm in outer space on my side of the bed  
On a floating mattress my eyes stare ahead  
You don't sleep here anymore

Hovering alarm clock is my, satellite  
Under little specks of starlight, on a flight  
You don't sleep here anymore  
You don't sleep here anymore

I don't know where I am  
I am so lost  
I'm just drifting around  
Since you've been gone  
I'm just wasting time away  
I'm just wasting time in space

See a little asteroid pass by, underneath  
There's an empty space on your side, And I can't sleep

I don't know where I am  
I am so lost  
I'm just drifting around  
Since you've been gone  
I'm just wasting time away  
I'm just wasting time...

I pull my covers, over my head  
Hope you know I, wish I were dead  
I can't seem to, get out of bed  
Going nowhere; everything is wrong

I don't know where I am  
I am so lost  
I'm just drifting around  
Since you've been gone  
I'm just wasting time away  
I'm just wasting time in space

I don't know where I am  
I am so lost  
I'm just drifting around  
Since you've been gone  
I'm just wasting time away  
I'm just wasting time in space
