

# Eyes For You (Ain't No Doubt About It)

Daryl Hall

Cause I only...

Starting to feel like  
A happy ending  
Tough but undemanding  
Understanding  
Looking to see why  
It gets me so intensely  
Matters immensely  
That you can feel me

Cause I only  
Only, only have eyes  
Only have eyes for you  
Girl I only  
Only have eyes for you

Ain't no doubt about  
Ain't no doubt about it  
[x4]

I didn't realize  
Midnight revelation  
Livin' in my world  
Got to be more patient  
Saw some love light  
Lit someone like you  
Slowly I knew  
How good it was to see through

Cause I only  
Only have eyes  
Only have eyes for you  
Girl I only  
Only have eyes for you

Ain't no doubt about  
Ain't no doubt about it  
[x4]

I want what you want  
I know what you know  
I live what you live  
(Livin' in our world)  
I realize  
I found what I lost  
(I almost lost it man)  
I paid what it cost  
(Almost cost me everything)  
Can you read all those thoughts  
It's in my eyes

Cause I only  
Girl I only  
Only have eyes for you  
Girl I only  
Only have eyes for you

Ain't no doubt about  
Ain't no doubt about it  
[repeated]
