

# For You

Daryl Hall

(hall, stewart, wolk)  
Soothe me baby  
Squeeze tite  
Hold the moment  
Fall through the night  
Itch for pleasure  
I scratch  
Love's a treasure  
I want to give back  
I wanna give you  
All that I've got  
Attention's essential  
Analysis not  
It's not what you say girl  
It's what you mean  
So whisper with me  
Share dreams  
Stop  
If you stop I'll remember so much  
No one can steal what's real from my touch  
Stop  
What more can I say  
There ain't nothing gonna get in the way  
For you  
Oh baby baby  
I've been waiting waiting waiting  
Before you I was given a lie  
You opened up my life  
Will I ever be the same again  
Will I ever talk this way again  
For you for you all the time  
I know it's so right  
I'm sending you a sign  
Girl are you getting  
What you expect  
Blindly trying  
Cry to connect  
Needing affection  
Ships in the night  
Making a statement  
If it's wrong or it's right  
Stop  
Think for a while  
Person to person  
Mile after mile  
Stop  
There's something you missed  
Here it is here it is  
I just can't resist  
Can't resist you
