For You

Daryl Hall

(hall, stewart, wolk) Soothe me baby Squeeze tite Hold the moment Fall through the night Itch for pleasure I scratch Love's a treasure I want to give back I wanna give you All that I've got Attention's essential Analysis not It's not what you say girl It's what you mean So whisper with me Share dreams Stop If you stop I'll remember so much No one can steal what's real from my touch Stop What more can I say There ain't nothing gonna get in the way For you Oh baby baby I've been waiting waiting waiting Before you I was given a lie You opened up my life Will I ever be the same again Will I ever talk this way again For you for you all the time I know it's so right I'm sending you a sign Girl are you getting What you expect Blindly trying Cry to connect Needing affection Ships in the night Making a statement If it's wrong or it's right Stop Think for a while Person to person Mile after mile Stop There's something you missed Here it is here it is I just can't resist Can't resist you
