Next Step

I wanna go up where something matters I wanna blow up where matter scatters

I wanna live into the future

I want to give ... more girl Next Step No side stepping this time Cross over life on the line One thing to talk big Go to follow thru All set Got to get past the present too Don't want to reach out for yesterday Don't want to block the shock of the new I wanna see what new love will bring I'm gonna give all that love to you What's the Next Step My mind is open wide Next Step What'll be the Next Step baby What's the Next Step I'm finished with the past Next Step Won't be the last step baby You wanna wake up with me beside you You wanna shake off bad thoughts inside you We're gonna walk on into tomorrow We're gonna have more fun NOW Don't look around for yesterday No blocking out the shock of the new Do you wanna see what new love can bring I'm gonna give all that love to you What's the Next Step My mind is open wide Next Step What'll be the Next Step baby What's the Next Step I haven't got a clue Next Step Wanna make the Next Step with you What's the Next Step Gonna take it gonna take it Next Step Gonna step right Won't step back What's the Next Step No bad songs No bad songs Next Step Say hey Don't you want to take the Next Step Ring out the old Ring in the new Never know 'til I do what I'm gonna do

Daryl Hall

Say hey I want to take the Next Step Say hey

What's the Next Step My mind is open wide What'll be the Next Step baby Next Step What's the Next Step Ain't gonna be the last Next Step Forget about the past What's the Next Step

We've got to open up When the Next Step comes along I've got to follow thru Take the Next Step with you I wanna ring out the old and ring in the new Come out of the cold Take a step with you
