Nycny

Daryl Hall

So whadya want? Is it déja vu or have I been here before? I don't know but

Everything about you is still the same Everything about you is so alive Too much time around, you start to kick my ass Too much time away, I lose my lease (new york love me) so good, so good (new york love me) keep my head up (ny love me) nyc, I see (ny why me) am I ny?

Try to run away Ya know it's no use Tongue in cheek so I can't speak Vibrations knock my screws loose

Everything about you is still the same Everything about you is so alive Too much time around, you start to kick my ass Too much time away, I lose my lease (new york love me) so good, so good (new york love me) keep my head up (ny love me) nyc, I see (ny why me) am I ny?

Written in the air Written on return Nowhere bright as here nowhere else Written in the air Written on return Stones and fever dreams nothing else... Nyc see ya real soon

Try to run away Ya know it's no use Tongue in cheek so I can't speak Vibrations knock my screws loose Well it ain't love It ain't art It's pressure Pain in the heart that moves me Nyc That grooves me Nyc You move me Nyc you lose me Nyc

Everything about you is still the same Everything about you is so alive Too much time around, you start to kick my ass Too much time away, I lose my lease (new york love me) so good, so good (new york love me) keep my head up (ny love me) nyc, I see
