

## Love Is Fair

Das Pop

Close your eyes for a little while  
For this moment we've still got  
I'll go away forever now  
And you say love is fair  
Fry your hair and forget the time  
Put the cream on your skin  
Shake off the fear and shut your mouth  
And don't say love is fair  
Baby the night is long  
Let us sing our song  
Until tomorrow  
Baby the night is long  
Let us sing our song  
Until tomorrow  
Be it now or some other time  
It just had to come to this  
Like on tv, the rerun ends  
And you say love is fair  
Close your eyes when you look at me  
When i say so  
Open wide  
Don't say a word and don't be scared  
And don't say love is fair  
Baby the night is long  
Let us sing our song  
Until tomorrow  
Baby the night is long  
Let us sing our song  
Until tomorrow
