

Go It Alone

Dash Berlin

When it's the most scare
Leave it back there
Tell of the powers of be

We've started something
Built up from nothing
Something you can't see

And if you have to stop
Then let me know
Feel the weight on your shoulders
Just let it go

And if you have to leave
Then let me know
Cause I can go it alone
You go it alone
Go it alone

I'm on my own

I can go it alone
I can go it alone
I can go it alone
I can go it... alone

And if you have to leave
Then let me know
Cause I can go it alone
You got it alone
Go it alone

I'm on my own

And if you have to leave
Then let me know
Cause I can go it alone
You go it alone
Go it alone

I can go it alone
