

# Shelter

Dash Berlin

You are the sun in my sky  
Even when the star will die  
You are gonna make me shine  
You make me shine cause  
I'm born for every young guy  
For all of my life  
I will be by your side

And I'll be when fall, yeah  
And there'll be no pain at all  
And I'll be in your shelter  
Your shelter from the storm  
There's always be a shelter  
I'll be there if you fall  
And if you walk a lonely road  
Know that you're not alone yet  
Cause I'll be in your shelter  
Your shelter from the storm

So when the rain is coming down  
Feel you can't stand your ground  
I won't let you drown

And I'll be when fall, yeah  
And there'll be no pain at all  
And I'll be in your shelter  
Your shelter from the storm  
There's always be a shelter  
I'll be there if you fall  
And if you walk a lonely road  
Know that you're not alone yet  
Cause I'll be in your shelter  
Your shelter from the storm  
Your shelter from the storm  
Your shelter from the storm
