

# Surround Me

Dash Berlin

It's been so long since I have touched you  
I can't remember how it feels  
To have your loving arms surround me  
This is the pain that never heals

All my life I have been searching  
For someone honest just like you  
You left me here without a reason  
Every tear belongs to you

I'll be waiting 'till the sky falls down, 'till you come  
Around baby  
I'll be waiting 'till the sky falls down, let the rain  
Come down  
I'll be waiting 'till the sky falls down, 'till you come  
Around baby

All I need is one good answer  
To understand why you are gone  
Everything reminds me of you  
Without you I can't go on

I'll be waiting 'till the sky falls down, 'till you come  
Around baby  
I'll be waiting 'till the sky falls down, let the rain  
Come down  
I'll be waiting 'till the sky falls down, 'till you come  
Around baby
