

Better

Dashboard Confessional

If I kiss you where it's sore
If I kiss you where it's sore
Will you feel better, better, better?
Will you feel anything at all?
Will you feel better, better, better?
Will you feel anything at all?

Born like sisters to this world
In a town where blood ties are only blood
If you never say your name out loud to anyone
They can never, ever call you by it

If I kiss you where it's sore
If I kiss you where it's sore
Will you feel better, better, better?
Will you feel anything at all?
Will you feel better, better, better?
Will you feel anything at all?

Getting sad, getting sad, getting sadder
And I don't understand, and I don't understand

But if I kiss you where it's sore
If I kiss you where it's sore
Will you feel better, better, better?
Will you feel anything at all?
Will you feel better, better, better?
Will you feel anything at all?
Will you feel better, better, better?
Will you feel anything at all?
Will you feel anything at all?
Anything at all
Will you feel anything at all?
Will you feel anything at all?
Anything at all
Anything at all
Anything at all
Anything at all
Anything at all...
