## **Ghost of a Good Thing**

## **Dashboard Confessional**

I guess it's luck, but it's the same Hard luck, you've been trying to tame Maybe it's love, but it's like you said "Love is like a role that we play."

But, I believe in you so much I could die for the words that you say But, I believe in you so much I could die from the words that you say

But, you're chasin' the ghost of a good thing Haunting yourself as the real thing It's getting away from you again While you're chasin' ghosts

Just bend the pieces 'till they fit Like they were made for it But, they weren't meant for this No, they weren't meant for this

Just bend the pieces 'till they fit Like they were made for it But, they weren't meant for this

Chasin' the ghost of a good thing
Haunting yourself as the real thing
It's getting away, away, away, away from you again

Chasin' the ghost of a good thing Haunting yourself as the real thing It's getting away from you again While you're chasin' ghosts
