

## Not So Easy

## Dashboard Confessional

Save up until you've had it  
The offer's come but you won't go on  
Brought down with the force of nature  
Breathing off my lungs

It's not easy to like it  
(It's not easy to like it)  
It's not easy at all  
(It's not easy at all)  
It's not easy to like it at all

Fill up to the limit  
Winter's come with her appetite  
Money clips equipped with paper  
Buckets brimming and tied

It's not easy to like it  
(It's not easy to like it)  
It's not easy at all  
(It's not easy at all)  
It's not easy to like it at all

Breathing off of my lung  
When you breathe off of my lung  
Save up till you've had it  
Offer's come but you won't go on

Brought down  
(The forces of nature)  
When you breathe

It's not easy to like it  
It's not easy at all  
It's breathing off of my lung
