## **Not So Easy**

## **Dashboard Confessional**

Save up until you've had it
The offer's come but you won't go on
Brought down with the force of nature
Breathing off my lungs

It's not easy to like it
(It's not easy to like it)
It's not easy at all
(It's not easy at all)
It's not easy to like it at all

Fill up to the limit Winter's come with her appetite Money clips equipped with paper Buckets brimming and tied

It's not easy to like it
(It's not easy to like it)
It's not easy at all
(It's not easy at all)
It's not easy to like it at all

Breathing off of my lung When you breathe off of my lung Save up till you've had it Offer's come but you won't go on

Brought down
(The forces of nature)
When you breathe

It's not easy to like it
It's not easy at all
It's breathing off of my lung
