

# Sex Me Up

Datarock

Sex me up  
and I'll sex you down  
whatever you want  
is my command

I'm into S&M  
I lead the butcher farm  
and now don't you understand  
I'm into any maim

Sex me up  
and I'll sex you down  
I get on the floor  
I'll turn around

Get on my hands and knees  
on your command i'll freeze  
I hope this never cease  
come get me won't you please

But she won't hold me  
and she won't squeeze me  
from what she told me  
She'd never please me

But she won't hold me  
and she won't squeeze me  
From what she told me  
she'd only tease me (Hey!)

She said: "sex me up
