

Smother

Daughter

I'm wasted, losing time
I'm a foolish, fragile spine
I want all that is not mine
I want him but we're not right

In the darkness I will meet my creators
And they will all agree, that I'm a suffocator

I should go now quietly
For my bones have found a place
To lie down and sleep
Where all my layers can become reeds
All my limbs can become trees
All my children can become me
What a mess I leave
To follow (4x)

In the darkness I will meet my creators
They will all agree, I'm a suffocator

Suffocator (2x)
Oh no
I'm sorry if I smothered you (2x)
I sometimes wish I'd stayed inside
My mother
Never to come out
