

# Start of Something Good

Daughtry

You never know when you're gonna meet someone  
And your whole wide world, in a moment, comes undone  
You're just walking around then suddenly  
Everything that you thought that you knew about love is gone  
You find out it's all been wrong  
And all my scars don't seem to matter anymore  
'Cause they led me here to you

I know that it's gonna take some time  
I've got to admit that the thought has crossed my mind  
That this might end up like it should  
And I'm gonna say what I need to say  
And hope to God that it don't scare you away  
Don't want to be misunderstood  
But I'm starting to believe that  
This could be the start of something good

Everyone knows life has it's ups and downs  
One day you're on top of the world  
Then one day you're the clown  
Well, I've been both enough to know  
That you don't wanna get in the way when it's working out  
The way that it is right now  
You see my heart, I wear it on my sleeve  
'Cause I just can't hide it anymore

I know that it's gonna take some time  
I've got to admit that the thought has crossed my mind  
That this might end up like it should  
And I'm gonna say what I need to say  
And hope to God that it don't scare you away  
I don't want to be misunderstood  
But I'm starting to believe that  
This could be the start

'Cause I don't know where it's going  
There's a part of me that loves not knowing  
Just don't let it end before we begin...  
You never know when you're gonna meet someone  
And your whole wide world in a moment comes undone

I know that it's gonna take some time  
I've got to admit that the thought has crossed my mind  
That this might end up like it should  
And I'm gonna say what I need to say  
And hope to God that it don't scare you away  
I don't want to be misunderstood  
But I'm starting to believe  
Oh, I'm starting to believe  
That this could be the start of something good  
Yeah yea, the start of something good  
Yeah yea, the start of something good  
Yeah this could be the start of something good
