

# Traitor

Daughtry

I'm not a criminal  
I'm not the villain  
Yeah this is personal  
A drive-by killing

Your guns are loaded  
And your lies are the bullets  
So here is the trigger  
Go ahead and pull it, now

Are you sure you wanna play this game?  
Are you sure you wanna play it?

The only thing worse than a hater  
The only thing worse than a hater  
Is a traitor  
A traitor  
A traitor...  
You put the knife right in my back  
Killed any history we had  
And now it's war  
War

We were just like brothers  
And we had each other  
We were down for the good times  
We were there for the troubles  
Like a thief in the night  
Broad daylight  
You stole my sanity  
Now you are the enemy

Are you sure you wanna play this game?  
Are you sure you wanna play it?

The only thing worse than a hater  
The only thing worse than a hater  
Is a traitor  
A traitor  
A traitor  
You put the knife right in my back  
Killed any history we had  
And now it's war  
War

Oh oh,  
I should feel sorry for you  
Oh oh,  
Watching you drown in your denial  
Oh oh,  
But I can't feel sorry for you  
Oh oh,  
Watching you drown 'cause you're a traitor

The only thing worse than a hater  
The only thing worse than a hater  
Is a traitor

A traitor  
A traitor  
You put the knife right in my back  
Killed any history we had  
And now it's war  
War

The only thing worse than a hater  
The only thing worse than a hater  
Is a traitor  
A traitor  
A traitor  
You put the knife right in my back  
Killed any history we had  
And now it's war  
War
