

What About Now

Daughtry

Shadows fill an empty heart,
as love is fading.
For all the things that we are,
Or not saying.
Can we see beyond the scars?
And make it to the dawn.

Change the colours of the sky,
and open up too,
The ways you make me feel alive,
The ways I loved you,
For all the things that never die,
To make it through the night.
Love will find you!

What about now?
What about today?
What if you're making me,
All that I was meant to be?
What if our love, never went away?
What if it's lost behind?
Words we could never find?
Baby before it's too late!
What about now?

The sun is breaking in your eyes,
To start a new day...
This broken heart can still survive,
With a touch of your grace...
The shadows fade into the light,
When I am by your side,
When love will find you...

What about now?
What about today?
What if you're making me,
All that I was meant to be?
What if our love, never went away?
What if it's lost behind?
Words we could never find?
Baby before it's too late!

What about now!?
Now that we're here,
Now that we've come this far.
Just hold on!
There is nothing to fear!
For I am right beside you,
for all my life I am yours.

What about now?
What about today?
What if you're making me?
All that I was meant to be?
What if our love,
never went away?
What if it's lost behind,

words we could never find?

What about now?

What about today?

What if your making me,
all that i was meant to be?

What if our love, never went away?

What if it's lost behind,
words we could never find?

Baby before it's too late!

Baby before it's too late!

Maybe before it's too late...

What about now?
