

# What I Meant to Say

Daughtry

I woke up today.  
Seeing all the stars that you have thrown.  
Wounded by the same old shots you take.  
It's easier to kick me when I'm low.

And I just thought that you should know,  
I've been holding on while you've been letting go.  
Well, it's not too late to say it  
right this time  
'Cause I know I said I'm sorry,  
but that's not what I meant to say.'

Strong enough to say,  
that I don't wanna take the hard road now.  
So typical of you to walk away,  
when your perfect little world is burning down.

And I just thought that you should know,  
I've been holding on while you've been letting go.  
Can I be so bold.  
Cause all this sucking up to you is just getting old.  
Well, it's not too late to say it  
right this time  
'Cause I know I said I'm sorry,  
but that's not what I meant to say.'

Ah,  
what I really meant to say  
with every little breath I take.  
I'm not the only one who makes mistakes,  
just think of all the ones you made.

And I just thought that you should know,  
I've been holding on while you've been letting go.  
Can I be so bold.  
Cause all this sucking up to you is just getting old.  
Well, it's not too late to say it  
right this time  
'Cause I know I said I'm sorry,  
but that's not what I meant to say.'

Can I be so bold.  
Cause all this sucking up to you is just getting old.  
Well, it's not too late to say it  
right this time.  
'Cause I know I said I'm sorry,  
but that's not what I meant to say.'
