Wild Heart

Daughtry

You used to be the girl who set the world on fire And they doused your soul in water but the flames raged higher Used to act so tough like you could walk on a wire And they called you devil's daughter, such a pretty liar Yeah Yeah You were burning like the summer, crazy like a fox You hit harder than a drummer, like a wave on the rocks You could play me like the lotto, you were playing a part There ain't nobody could tame you and your wild heart Yeah Yeah Take me back To those barefoot summer nights Take me back Running down those highway lights Remember when We said don't let go 'til we die Take me back To that fire in your eyes 'Cause I know it ain't gone too far Take me back to you and to your wild heart Yeah To your wild heart Yeah You used to be the girl that could light up a room And with the flip of a switch I bet you still do You would leave a trail of danger yeah wherever you go And no matter where it lead me I would follow Yeah Mmm yeah You were beautiful in blue jeans, holes on the knees You were smoking like a cigarette, I couldn't breathe Used to rock around the ballroom, dance on the bar Baby nobody could tame you and your wild heart Take me back To those barefoot summer nights Take me back Running down those highway lights Remember when We said don't let go 'til we die Take me back To that fire in your eyes 'Cause I know it ain't gone too far Take me back to you and to your wild heart Yeah To your wild heart Yeah
